## Antioch's Gas Rates To Be Increased By Northern Ill. Gas Co.

### Average Bill Will Be 25c Higher a Month Report From Chicago Says

Antioch residents who use gas will on the average see a 25 or 30-cent increase in their gas bills after March 2 as the result of a rate hike announced by the Northern Illinois Gas Co.

The gas company serving 4,000 customers in 17 northern Illinois counties including Antioch, Ingleside, Lake Villa, Fox Lake, Round Lake, and the general Lakes Region area, said the increase in rates is due to an increase in cost of natural gas purchased from the Natural Gas Pipeline Co.

Because of an automatic adjustment clause, in its dealings with the Illinois Commerce Commission, the Northern Illinois Gas Co. can effect the increase without going to the ICC.

The Peoples Gas, Light and Coke Co. has asked the ICC for authority to hike its annual rates for a million Chicagoans, \$60,000 of them residential users.

On the other hand the North Shore Gas Co. which purchases its gas from the same general source as the other companies and serves Waukegan, Diamond Lake, Deerfield, North Chicago, Libertyville and others contemplates no increase in rates at this time.

## Antioch High Jayvees Grab A Pair This Week

The Antioch High Jayvees continued their winning ways by defeating Wauconda there 53 to 26 Friday night and Richmond here Tuesday night 57 to 45 in curtain raisers.

At Wauconda the Sequoits led at the half 26 to 12. Jerry Huml was high point man for Antioch with 22 points and Lincoln was high for Wauconda with 12.

In the Richmond game the score at the half was 25 to 21—Antioch, but in the second half Antioch pulled away to a certain advantage.

Nine boys broke into the scoring column for Antioch with Ed Hastie with 14 points and Huml with 11, leading the pack. For Richmond B. Krumpen and Buchert were high point men with 14 and 15 respectively.

Antioch leads the conference in standing.

## More Volunteers Sworn In As Auxiliary Police; Force Of 11 In Training

Four more volunteers were sworn into the Antioch auxiliary police force at the village hall last evening by Mayor James McMillen. They were Thomas Curran, who previously had applied; Jack Stieber, barber; Wendell S. Nelson, real estate; and Marvin Toepfer, Lake Villa lumber man.

The force of 11 men continued to receive instruction from the state police in last night's meeting.

Subject to emergency calls, the auxiliary police can be used if needed for civilian defense, Chief Walter I. Scott said.

## Seek Relatives of Lawrence Kancilja Who Died Saturday

While his automobile was being pushed to get it started last Saturday morning, Lawrence Kancilja, 65, of Rte. 45 and State Line rd. suffered a heart attack and died.

A neighbor responded to Kancilja's request that he push the car a ways, and when he saw the car suddenly swerve into a ditch he rushed forward and found Kancilja slumped over the wheel.

The Antioch Rescue squad was called but there was no response to first-aid methods.

The body was taken to the Strang Funeral home and an effort is being made to find relatives.

Mr. Kancilja had lived in Antioch for about 25 years and served as general contractor and carpenter.

**Ayrshire Completes Record**  
Spinney-Run Fair Ellen, a two-year old registered Ayrshire in the Spinney-Run farm herd at Libertyville has recently completed a record official Herd Test of 9489 pounds of milk and 434 pounds of butterfat in 305 days milked twice daily. Making this announcement, Ches. C. Putney, Secretary of the National Ayrshire Breeders' Association at Brandon, Vermont, advises record is equal to 4411 quarts of milk.

## Antioch Woman's Club Will Honor Presidents Of Other Years Mon.

Past presidents of the Antioch Woman's Club will be honored at the next meeting of that organization Monday.

Mrs. Louis Biel, the present president, is planning the program to which many past presidents have contributed items concerning events during their time of leadership.

The meeting is scheduled for 12:30 p. m. at the Scout House as a salad buffet will replace the usual pot luck luncheon. All members are asked to bring salads, and dessert will be provided by the refreshment committee whose chairman is Mrs. Gus Mantis.

A meeting of the board will follow the regular meeting.

Several new members will also be welcomed into the club at this time.

## County V.F.W. Conducts Magazine Sales Drive

The Lake County Council of the Veterans of Foreign Wars recently started a magazine subscription drive to raise money for hospital equipment which would be free to all county residents for use where transportation is provided.

The equipment such as beds and wheel chairs would be housed at the Highland Park Memorial club.

Heading the committee in charge are Lawrence C. Stanciloff, county commander; and Robert Strang, local commander, and the county adjutant.

Solicitors are registered with the sheriff's office and have credentials.

## Grade School Games

The fifth-sixth grade basketball team of the Antioch Grade school played a team from Grayslake yesterday afternoon. The games between the A and B teams of the two schools were cancelled Friday because it was too cold to make the trip to Grayslake.

These two teams will play the Fox Lake A and B teams here tomorrow at 7 p. m.

## Mercury Drops to 12 Below Zero for Winter Record; Groundhog Sees Shadow Forecasting 6 More Weeks

Mild temperatures that persisted throughout the early part of the winter and well up into January disappeared last week with an icy blast from the polar region which sent the mercury tumbling to a winter record.

Antioch experienced as low as 12 degrees below zero temperature on January 27, according to Cooperative Observer Roy Kufalk. There were five days, or should it be said nights, on which sub-zero temperatures were experienced.

There was only 1.16 inch of precipitation during January which was low for the month. There was far less snow than usual. The most snow

## Civilian Defense and Water Contract Occupy Attention Of Trustees

Much discussion and little action characterized the monthly meeting of the Antioch village board of trustees Tuesday evening.

John Horan as civilian defense director, gave his annual report, showing that Antioch is doing comparable work in civil defense drill to most villages in Lake county. He recalled the test alerts and the practice by Antioch and surrounding fire departments in which a catastrophe was simulated.

Director Horan was instructed by Mayor James McMillen to be on the lookout for a three-phase, 40-volt generator in federal sales of used equipment for purchase by the village.

Trustee Ernest Glenn questioned as to whether the village would have power to operate the water system if the electric power were cut off during an emergency situation, and was told that the old pumps can be operated by a gasoline driven generator, but that there is no power for the new well pump. This would be needed.

Trustee Arthur M. Hawkins said that lack of sufficient heat at the new pump house caused pipes to freeze, but they didn't burst. The board will seek a heater.

Horan, representing the American Legion, asked permission for the post to stage a carnival from July 6 to 10 inclusive, and the permission was granted.

Village Atty. Ed. Jacobs was instructed to draw up a contract for the furnishing of water to that part of Oakwood Knolls in Wisconsin. That area may be charged double the regular rate.

A new tire for the squad car was ordered purchased.

A notice that the terms of Ed Vos, Murrill Cunningham and George Garland and an unexpired term now filled by E. H. Glenn are expiring and successors must be chosen. It is probable that the four will seek re-election.

## Funeral Tuesday For Mrs. Muriel Nachiolet, Resident Of Lake Villa

Funeral services were held at 11 a. m. Tuesday at Strang's Funeral home for Mrs. Muriel Nachiolet, 79, of Oak Knoll dr., Lake Villa, who died at 5:30 p. m. Saturday in her home after a lingering illness.

The Rev. Edmond Hood officiated at the services. Cremation was at Acacia Park cemetery, Chicago.

Mrs. Nachiolet was born Muriel May, April 25, 1879 in Gillman, Ill. She and Thomas C. Nachiolet were married Feb. 20, 1919 and lived in Chicago where they operated a hotel and laundry and dry cleaning business for 20 years before coming to Lake Villa in 1922.

Surviving are the husband and several cousins.

## A.T.H.S. Bandsmen to Sell Candy at Homes

On Thursday evening of this week one of the members of the Antioch Township High School band will probably knock on your door. The planned canvass will be for the purpose of selling "The World's Finest chocolate."

Proceeds from the sale of chocolate will be used to buy risers for the band.

The band members hope to sell enough chocolate to purchase risers in time for use at the band concert on March 18th. David Cain is student manager of the sales campaign.

## C. of C. Bids Guests

Members of the Antioch Chamber of Commerce will meet for a regular business session at a noon luncheon Monday at Smart's Country House. They are asked to bring guests so that they may become acquainted with the aims and purposes of the organization.

## Grade School Employees Hosts At Smorgasbord

The Antioch Grade School board of education was a guest of employees of the school at a get-together Monday evening. Mrs. Wanda Barthel and Mrs. Emil Olsen prepared Swedish dishes for a smorgasbord.

After the dinner Fred Yates sang the solos and led in the community singing, and Mrs. Edna Becker and Miss Laura Pedley directed the games. The event ended with dancing.

## Sportsmanship

Last week's issue of the Antioch News carried a reprint of an editorial which appeared in the Tom-Tom, Antioch High School newspaper. The editorial expressed concern over the lack of good sportsmanship evidenced by some adult spectators at recent basketball games.

We published the article because we believed, and still believe, that it was timely, well-written and that the views expressed were well justified.

Much comment, both pro and con, followed publication of the article, with some disgruntled readers professing to believe that the article was designed to keep adults away from high school athletic contests. Nothing could be farther from the truth. The high school wants and needs the support of every person of the community.

Any athletic program of any school must do more than entertain residents of the community to be worthwhile. It must instill into the actual participants a feeling for good sportsmanship; it must teach team play and co-operation; it must help build morale for the school as a whole; and it must serve to make friends for the school among residents.

We believe it to be unreasonable to engage skilled educators to see that the athletic program serves these functions, and then allow a few adults, many of whom are known and admired by the students, undo the work of the coaching staff by setting a poor example at games.

To further clarify the situation, the following was released this week:

"The students at Antioch Township High School are sincere in their desire to practice good sportsmanship at their athletic contests. They wish the help and cooperation from adult fans in the support of the sportsmanship program. The students realize that the best way to practice good sportsmanship is to be an example of it in conduct and actions.

"The code of acceptable sportsmanship at the high school is:

1. Consider athletic opponents and officials as guests and treat them as such.
2. Respect the rights of students from the opposing school.
3. Respect the rights of all spectators.
4. Respect the authority and judgment of the coach.
5. Respect the property of the school and the authority of school officials.
6. Cheer both teams as they come on the floor or field to play.
7. Commend or cheer good plays by either team.
8. Cheer an injured player when he is removed from the game.
9. Support the cheerleaders wholeheartedly.
10. Accept the official's decision as final.
11. Show self control at all times during and after the game.
12. Be modest in victory and gracious in defeat.
13. Consider it his privilege and duty to encourage everyone to live up to the spirit of the rules of fair play.

"The students at A. T. H. S. have always appreciated the patronage of adults at their school activities and they hope that this loyal support will continue in the future."

## 100 Men To Canvass Antioch Next Week In Boy Scout Fund Drive

Dr. Richard Carlucci of the American Legion, W. E. Brook and C. B. Olson of the Lions club, and Raymond Horton of the Moose lodge, serving as Boy Scout finance chairman, announced today that more than 100 local residents have volunteered to solicit for the Boy Scout fund drive which will open here Sunday.

"We hope to knock on every door in Antioch, the sectional chairman said, "and we are confident that our neighbors will respond generously to the plea to support the local Boy Scout movement."

The chairman emphasized that more than 200 Cub, Explorer and Boy Scouts in Antioch must rely for their 1955 program on the results of this finance campaign.

A number of local residents have asked, "What happens to each dollar I give?"

Here is the answer. Over half—56.4 cents to be exact—provides direct service to the 34 communities of the North Shore Area Council, through the leadership and assistance of professional scout executives, who give supervision and direction to the entire Scouting program at the local level.

About 25 cents out of each dollar are used to maintain the North Shore Area Council Office in Highland Park, which is a "service station" for Scouts in Antioch and other nearby communities.

Another 13 cents go for camping, activities and program, including the maintenance of Camp Ma-Ka-Ja-Wan, a wooded Wisconsin retreat where over 850 Scouts spent part of their summer in 1954. Contributions help subsidize this camp so that virtually any boy can afford to pay the modest camping fee.

Most of the remaining cents of the dollar pay for fixed expenses like equipment, insurance, leadership training and badges and awards.

Only one cent out of each dollar goes to the National Boy Scout office.

## Grade School Employees Hosts At Smorgasbord

The Antioch Grade School board of education was a guest of employees of the school at a get-together Monday evening. Mrs. Wanda Barthel and Mrs. Emil Olsen prepared Swedish dishes for a smorgasbord.

After the dinner Fred Yates sang the solos and led in the community singing, and Mrs. Edna Becker and Miss Laura Pedley directed the games. The event ended with dancing.

## Antioch Leads League; Defeats Wauconda and Richmond High Easily

### Will Play Glenbrook Here Tomorrow Evening—Two Games

Antioch's Sequoits now leads the Northwest Conference in basketball as the result of her defeat of Wauconda Friday while Palatine lost to Elmhurst in a double overtime game.

The Sequoits added another non-conference scalp to their belt when on Tuesday night of this week they beat Richmond 94 to 63.

The 68 to 52 victory over the Wauconda Bulldogs was a big night for Fred Clarke and Mike Haviland, both of whom scored 23 points.

The teams were tied at 11-points each at the end of the first quarter, but in the second quarter the Sequoits racked up a margin of 17 points which gave them the game although they were outscored in the last half.

The Bulldogs laid their defeat to their star player Gene Jaskot who was out of play for a quarter as the result of personal fouls. He scored 23 points.

In Tuesday night's game the Sequoits were hot, and as the result, what was expected to be a close game at the hands of a greatly improved Richmond quintet, was rather one-sided.

Haviland led in the scoring with 21 points; Ben Floyd was second with 19 and for Antioch Clarke was third with 16 points. Loren Miller was high for Richmond with 17 points.

Glenbrook will play here Friday night.

## How About Government Farms?

"If government runs the electric power for our lights, stove and refrigerator, there's no reason why our government shouldn't run the corner grocery and delicatessen," writes John O'Donnell in the New York Daily News.

That puts the co-called power issue in its proper perspective. Selling power is a commercial business. So is selling food and clothing and houses. So are newspaper and magazine publishing and radio and television broadcasting. So is farming. If it is proper for government to engage in one commercial endeavor, it is proper for it to engage in all.

Moreover, as a practical matter, power is one of the smallest items in the family budget. And it's among the smallest expense items for all but a few industries.

The only sound course for a free nation to pursue is to encourage regulated, tax-paying private enterprise to push ahead with any and all needed power developments—including projected ones on the Niagara river, the Snake river, and elsewhere which the socializers have managed to prevent. Then we should get down to cases on the job of getting government out of business as rapidly as possible.

## Atmosphere Isn't Everything

The atmosphere of the past is subject to constant change—whether we like it or not.

Long ago the old fashioned general store of cracker barrel fame gave way to competition, service and sanitation. We lost something in the process. At its peak the general store was virtually a community town hall. But the consumer was pretty much at the mercy of such stores both in service and in prices as they were near monopolies. In most cases they remained that way until competition forced a change. Today the consumer can choose a retailer who offers him the most in variety, price, or service.

We no longer shop leisurely. We are accustomed to entering a modern store, finding what we want and leaving. Most of us would be impatient if we had to wait for the proprietor to finish as "host" to a customer ahead of us. The stocks of goods carried in stores of another age would seem totally inadequate today. The relaxed atmosphere of the old-time general store is gone, but few would care to return to its ways. We move at a more rapid pace, and retailing is geared to it.

## There Aren't Enough Rich

Does anybody still believe that we can maintain the government by soaking the rich, as the old-time agitators used to claim?

Well, here is what the Tax Foundation has to say about it. If the federal government took 100 per cent of everybody's taxable income above \$10,000,

the gain in revenue would be less than \$5,000,000,000—which wouldn't pay government's costs for a single month.

If it took all taxable income above \$4,000—a figure which is certainly a far cry from riches these days—the Treasury would benefit to the tune of \$13,000,000,000. But that's only one-fifth of our current annual federal spending.

There just aren't enough rich or well-to-do people to meet the costs. So the burden of government is borne by the masses of people and always will be.

## Shocking Statistics

Coal production figures for 1954 should "shock even those who are most apathetic about the national security." That grim observation was made by an officer of the National Coal Association. "The facts certainly back him up."

Last year's coal production was only about 390,000,000 tons—the lowest since 1939. That is at least 100,000,000 tons under the level of productive capacity we would need, and in a hurry, should another war emergency arise. From 1939 until 1944 our coal requirements increased 57 per cent.

It can't be argued that all we would need to do would be to open up the mines again and send production soaring. Most mines which are closed for any length of time fill with water, which invites corrosion. Many months are needed to get rid of the water and to take the other steps which are required in resuming operation.

Then, in this mechanized age coal miners are skilled craftsmen. Under present conditions, "armies of miners have left the coal fields to seek jobs elsewhere. An experienced and competent labor force can't be reassembled overnight."

So here's one more compelling reason why coal's problems are the nation's problems.

## The Low Down From Hickory Grove

Today we will begin our mid-winter course in Economics, including who is for or against free enterprise—free enterprise meaning the right to own and or row your own boat and who is he or she who wouldn't like to own a boat or a 10 acre patch of ground of their very own—be independent. Private Enterprise and the right of private ownership are the same—no difference.

You won't find many people—if any—who don't believe in the right to own things themselves but when it comes to something they think is not for them to stew about, like the city water or electricity or some such, they are not so sure. And to illustrate in this opening lecture how private enterprise works when it is a big outfit and may not be yours—and how it benefits the little citizen and the big citizen and everybody, we will study a big bank report issued recently.

This bank reported earnings of a little over two and half bucks a share. The report also showed the same amount—a little over 2 and a half per share—paid as State and Federal taxes. And here is how I sum it up. If the bank takes all the chances to make money or lose its shirt as a privately owned outfit and will divide the profits, if any, 50-50 with the State and Govt. which take no chances—no do-re-mi invested—then I say the State or the Govt. which keeps its nose out of private business, is the smartest kind. End of first lesson.

Yours with the low down,

JO SERRA

# It's Here! THE NEW PACKARD

THE MAGNIFICENT PACKARD PATRICIAN—"ASK THE MAN WHO OWNS ONE"

**...with exclusive Torsion-Level Ride  
and the World's most powerful engine!**

America's new choice in fine cars—the great new Packard—is the result of years of planning, designing and testing to build an individually distinctive automobile embodying more engineering advancements than any automotive achievement of our time. You will find it the most luxurious car in a long line of history-making Packards. The new Packard truly reflects your pride in the finest.

**NEW TORSION-LEVEL RIDE** automatically levels the load... smooths the road. Imagine not knowing or caring whether the road under you is rough and pitted or boulevard smooth! Incredible! Yes! And until you experience this new kind of ride, you can't begin to realize the importance of Packard's exclusive system of unitized torsion suspension that makes it possible.

Instead of using conventional coil or leaf springs to cushion the bumps, full-length torsion bars absorb road shocks automatically before they can reach you. Driving is easier, less fatiguing and much safer. And an ingenious power-controlled levelizer keeps the new Packard always on an even keel. Compare this new Packard with whichever car you think is the finest made in America today. You are invited to give both cars the same tests over the same terrain. Then decide which offers the most truly luxurious performance.

**POWER-PACKED PACKARD V-8's... 260 AND 275 HORSEPOWER** built by the master motor builders who pioneered the V-type engine. The most powerful engines in any production car today... 260 horsepower in the Patrician and

the Four Hundred models, 275 in the Packard Caribbean... created for the most discriminating motorists in America.

**NEW TWIN-ULTRAMATIC TRANSMISSION** is actually two automatic transmissions in one—puts a choice of starts at your finger-tips... lightning getaway... ultra smoothness for traffic.

**ADVANCED GRACEFUL STYLING** of this new Packard is the most distinctive of all motor cars. Long low lines... massive grille... gracefully tailored rear deck... every detail of design bespeaks Packard distinction and good taste. Interiors are breath-taking... reflect the decorator-smart fashions of today's finest homes. We invite you to come in for a Test Ride in this new kind of fine car.

*Now... more than ever before... nothing on earth rides like a Packard*

**We Invite you to come In today... LET THE RIDE DECIDE**

# SOCIETY EVENTS

## The Robert Runyards Observe 55th Wedding Anniversary Tuesday

Mr. and Mrs. Robert Runyard, Sr. of Park ave., observed their fifty-fifth wedding anniversary Tuesday. They had callers Sunday, Monday and Tuesday and received many congratulatory cards.

The daughter, Mrs. Ida Kufalk, baked a "wedding anniversary" cake for them and she and her brother, Robert Runyard, Jr., of Richmond were present at their home when a special selection was played for them in honor of the occasion by radio station WKRS.

Mr. and Mrs. Runyard were married by the Rev. E. J. Aikin of the Methodist church at Grass Lake Feb. 1, 1900. It was an occasion of a double wedding but the other couple is no longer living.

Besides the son and daughter, Mr. and Mrs. Runyard have four grandchildren and one great-grandchild, Dale, son of Mr. and Mrs. Robert Kufalk of Byron, Ill. The great-grandson and his parents were callers at the Runyard home this week. Other callers included Mr. and Mrs. Harvey Lurvey of Dousman, Wis.

## M.Y.F. Group Attends Institute at Libertyville, Robert Cain an Officer

The Antioch Methodist Youth Fellowship members attended the mid-winter institute of the northern-northwest district of the Rock River Conference M. Y. F. Saturday and Sunday at Libertyville. The theme of the institute was "Ways to Peace."

Officers elected for the coming year were Perry Ogden, Barrington, president; Robert Cain, Antioch, vice president; Sue Stinespring, McHenry, secretary; Evelyn S. Oberg, Zion, faith chairman; Pat Shaw, Ingleside, witness chairman; Margaret Hendee, Barrington, outreach chairman; Lee Shaw, Woodstock, citizenship chairman; John Hogan, Ringwood, fellowship chairman; Don Klee and Cathy Anderson, McHenry, publicity co-chairmen.

Those who attended from Antioch were Marilu Bushing, Peggy Car-diff, Sigrid Petersen, Donna Gibbs, Judy Wright, Cathy Arndt, Carol Hansen, Diana Olson, Gwen Rover, Carol McGlynn, David Cain, Robert Cain, Peter Zalatoris, and Fred Clarke.

## PICTURES, ENTERTAINMENT AT FAMILY NIGHT PARTY

Amateur movies and slides showing trips of local citizens provided good entertainment at the Family Night potluck supper and entertainment of the Methodist church Sunday.

Mr. and Mrs. Charles Watson showed their trip through the west last summer which included a stop at the home of the Rev. Richard Tuttle and family formerly of Antioch.

The William Kufalks showed slides of their trip through the Northwest and Canada which also showed the Tuttle.

O. R. Kresse showed winter scenes around Antioch; K. F. Deitrich showed various points of interest and William Dow showed pictures of the Northeastern United States taken by Kennedy Heuer.

C. M. Berberich conducted games, and Stuart Good and the Rev. Howard Benson led in the singing with Mrs. William Dow at the piano.

Table decorations were designed by Mesdames Rogers Westlake, C. M. Berberich, Clarence Olson, and J. W. Kopriya, and Miss Carol Bean assisted with the supper.

Mr. and Mrs. Warren Polley, Dr. and Mrs. James Kopriya, Mr. and Mrs. Art Meyers comprised the social committee in charge.

## GIRL SCOUT NEWS

Intermediate Troop No. 29 Lake Villa Girl Scouts enjoyed a Star party presented to them by some of their fellow members as part of the requirements toward the Star badge. They are planning a trip to Adler's Planetarium in Chicago in the near future.

Intermediate Troop No. 39 enjoyed a skating party Jan. 18 at Cedar Lake. The girls enjoyed refreshments later at the Lake Villa village hall, and reported there were no casualties.

Brownie Troop No. 1 thoroughly enjoyed a fudge making party last week.

## Round Lake Girl Scouts

Brownie Troop No. 10, Round Lake Girl Scouts held an Investiture ceremony Jan. 27, at the Round Lake Park Men's club.

There was also a special program consisting of Hawaiian songs and dances, and also other songs.

The Women's Community club of Round Lake Park, sponsors for this troop, served as hostesses for this program.

Brownie Troop No. 10 recently helped Gale Peterson, fellow Brownie, celebrate her 10th birthday, during their meeting, by enjoying refreshments and singing.

Elmer Brook, of Lake Street is under observation at a Milwaukee hospital.

## Trip to Washington Membership Contest Prize for GOP Women

Of particular interest to Republican Women in Lake County is the membership drive of the 13th Congressional District Republican Women's Club.

As an added incentive and believing that there never was a time when Republican women so needed to work together in organized effort as at present, Congresswoman Marguerite Stitt Church has stated that she would invite to Washington as her personal guests, with all expenses paid, the two members of the 13th district club, one from Cook county and one from Lake county, who obtain the greatest number of new members for the club by April 15, 1955. The purpose of the club is to provide a liaison between the individual voter and the administration in Washington.

A special feature of the Spring membership drive will be the 1955 Spring tea to be held on February 16, at the Evanston Women's club beginning at 2:15 p. m. The club has been fortunate in securing a speaker for this occasion the Honorable Barry M. Goldwater, U. S. Senator from Arizona, who succeeds Senator Everett M. Dirksen of Illinois as chairman of the Senatorial Campaign committee.

Senator Goldwater has proved to be one of the ablest and most respected of the younger members of the senate as well as one of the most convincing public speakers. The tea will be the first event planned by the new program chairman of the club, Mrs. Wesley Hardenbergh of Volo, Lake County, and Mrs. Lawrence Lawson of Kenilworth, Cook County.

Assisting in arrangements for the tea are Mrs. Robert Ticken of Libertyville, hospitality chairman for Lake county, Mrs. Willard Wiard of Waukegan, acting chairman for Lake county, Mrs. Jack Williams of Wauconda who is helping in telephoning, transportation and miscellaneous details, and Mrs. E. G. Bohon of Lake Bluff in charge of publicity.

The 13th district tea tables always attract great interest and admiration and attest to the talents of Mrs. George Hain of Ingleside who is Lake county co-chairman for decorations.

Invitations are being sent to the Lake county members of the club by Mrs. Richard Bairstow of Keith avenue, Waukegan, and membership details are being handled by Mrs. LaVerne Dixon of Gurnee who is membership co-chairman for Lake county.

Special guests at the tea will be Mrs. Wesley M. Dixon of Lake Forest, National Committeewoman; Mrs. John H. Mitchell of Mundelein,

## High School Methodists To Be Hosts to Youth Of Antioch, Lake Villa

The High School Methodist Youth Fellowship will be host at 6:30 p. m. Sunday to the school youth of St. Ignace's Episcopal church, the Lakeland Baptist church of Lake Villa and the Methodist church of Lake Villa.

As a special observance of Youth Week in cooperation with the United Christian Youth movement, the theme for the evening will be "One Fellowship in Christ."

A movie, "One God" will be shown, and a candlelight worship service with representatives from each of the churches present participating, will be held.

Recreation and refreshments will complete the evening's program. This program is open to all the youth in the community who are interested.

Mr. and Mrs. Karl Lee and family of Lake Geneva, Wis., pleasantly surprised Mrs. Lee's mother, Mrs. Rose King, on her 65th birthday anniversary with a turkey dinner on Jan. 23. Mrs. King received two beautiful cakes and many lovely gifts. Also present were Mr. and Mrs. Henry A. Mau of Lake Marie and Mrs. George Hildebrandt of Bassett, Wis.

## MISSIONARY TO ADDRESS METHODIST W. S. C. S.

Evening Circle of the Methodist church will meet at the church at 8 p. m. Thursday, Feb. 10 to hear a returned missionary from Africa speak. Mrs. Edward Jahneke will be the hostess.

Jeffrey Lee, infant son of Mr. and Mrs. William V. Lahti, underwent surgery at Children's Memorial hospital in Chicago on Monday. The baby is improving rapidly and is expected to be well enough to be brought home the first of the week.

Mrs. Fred Rueter, of Naber's subdivision is seriously ill in a Chicago hospital following a severe stroke.

chairwoman of Lake county; and Mrs. Irl Marshall of Deerfield, president of the Federation of Illinois Republican Clubs, of which the 13th district club is a member.

Those who have not renewed their membership for 1955 may pay their dues of one dollar at the door and will receive their membership cards, which are required for admission. Guests from outside the district are invited to the tea. The admission charge for non-members is one dollar.

Reservations are requested by Mrs. Robert Ticken, Libertyville 2-2636.

## Officers Installed Tues. Eve. By Olson Camp Royal Neighbors

Officers were installed Tuesday evening by Olson Camp Royal Neighbors of Antioch at the Parish hall of St. Ignace's church. They are, left to right, Nellie Hanke, flag bearer; Pearl Anderson, orator; Irma Hostetter, past orator; Myrtle Stowe, modesty; Marlon Kleven, vice orator; Alvina Willett, manager; and Agnes Hills, faith.

## CUB SCOUT NEWS

The monthly meeting of Pack 80 was held Monday evening, Jan. 31, at the Grass Lake Scout House. Bradley Brenna received his Bobcat pin; Wayne Ream, Wolf badge; Larry Jesse, Bear badge, 1 gold, one silver arrow. Year pins were given to Bobby Hart, Alan Breuer, Richard Moyal, Larry Jesse, Johnny Burke, and Billy Schwabe.

Each den presented a skit on Railroad, the theme for January. A film was shown on the fundamentals of Scouting emphasizing parents' participation in Scouting. Silver dollar award for having parent present was won by Alan Breuer.

Refreshments of cake and coffee were served. Mrs. Schwabe, Mrs. Burke and Mrs. Anderson provided cakes.

Cubmaster Tutien will be glad to welcome any boys between the ages of 8-11 years old into the pack. Den meetings are held Tuesdays from 3:30 to 4:30 p. m. at the Scout House on Grass Lake rd.

The college campus church foundation idea originated in 1913 at the University of Illinois.

Mrs. Joe Sterbenz, Jr., of Naber's Subdivision has been a medical patient at Weiss hospital in Chicago for several weeks.

Winsor Dalgaard, of Dalgaard's Foodliner, is a medical patient at Victory Memorial hospital in Waukegan.

**Timely Tips**

Don't let that urge for doing that comes with crisp weather wear you down. There always are easy ways to do things. Here are a few tips to help make light of your chores:

To loosen tight screws or bolts, put a few drops of peroxide on them and let it soak in for a few moments. They'll come away much easier.

Nail a rubber heel to the bottom of your ladder or stool legs and they won't slip.

Painting your steps? Do every other one, then let them dry so you can walk on them while you paint the remaining half.

To prevent spotting hinges or latches when painting a door, rub a little petroleum jelly on them first. Stray paint will then rub off with a wisp of a cloth.

Pour melted paraffin in the bottom of your garbage can to prevent rust.

**Man Completes Jail  
Sentence After 17 Years**

HAGERSTOWN, Md. — Ulysses Leak, 43-year-old fugitive from the State Reformatory for Males was returned there recently after a 17-year absence during which he married and fathered five children.

Leak escaped from the reformatory at nearby Breathedsville in 1937 after serving two-months of a 15-month sentence for assault.

He settled down to a family life, working as a contractor.

Judge Morgan C. Harris suspended a one-year sentence on the escape charge, but ordered his return to finish the original term.

## LAKE VILLA

The Wednesday evening meetings at the church for prospective members, which were scheduled for February will be held in March instead.

The M. Y. F. will meet at the church next Sunday at 8:30 p. m. on Feb. 6.

Circle No. 1 of the Woman's Society of Christian Service will meet Wednesday afternoon, Feb. 16 at Allendale with Mrs. Ethel Wood and Mrs. Mae Wolff as hostesses for the day. During the winter months, this group meets but once a month, with an occasional work meeting between. Circle No. 2 will meet Monday evening, Feb. 14 at the church.

Mrs. Tom Natoleit, 80, of Oak Knoll Drive passed away at her home Saturday evening after a long illness. The Lake Villa inhalator squad was called, but when the doctor arrived shortly afterward, there was nothing that could be done. Mr. and Mrs. Natoleit had lived here for 25 years or more since coming from Chicago. Besides her husband, she leaves no immediate family. Funeral services were held at the Strang chapel in Antioch at 11 a. m. on Tuesday and the body was taken to Chicago for cremation.

The ladies of the Pinochle club met on Tuesday afternoon, Jan. 25 with Mrs. Jake Wallace at her home west of the village for the usual afternoon of pinochle games which follow the pot luck luncheon.

Mrs. Charles Kelly was taken quite ill last Thursday while working at the school cafeteria, and is recovering at her home. Her sister-in-law, Mrs. Effie Kelly of Racine came down for the week-end to be with Mr. and Mrs. Kelly.

Mrs. Ruth Schumacher who lives at Wonder Lake, was guest of Mr. and Mrs. Paul Avery, Sr., a few days last week.

Mr. and Mrs. Jake Wallace accompanied by Mr. and Mrs. Oscar Douglas, former neighbors of the Wallace family, now living in Waukegan, left Sunday on a vacation trip to Arizona to be gone a couple of weeks or so.

Mr. and Mrs. Lester Hamlin, John and Marilyn also left Sunday on a vacation trip to Florida to be gone two weeks or more. Mr. and Mrs. Bradec are staying at the Hamlin home.

Cedar Lake Camp Royal Neighbors held open installation of officers at the village hall on Tuesday evening, Jan. 25 and a number of guests witnessed the ceremony. Georgia Avery was the installing officer, assisted by Lottie Barnstable as ceremonial marshal and Mae Wood as assistant. Cecille Blumen-schein was installing chancellor and Velma Laugosch, Bertha Fish, Edna Botts and Irene Brown were escorts. Harriet Davis was musician. Mabelle Selter will be oracle for the year; Gerri Polson vice oracle and Mary Davis, past oracle. Helen Fish is recorder and Matilda Bartlett, receiver. Georgia Avery is marshal and Marie Hamlin, her assistant. Ethel Wood and Edna Botts, inner and outer sentinels, and Anna Fink, manager for three years. Chosen for graces are Velma Laugosch, Mary Hriblan, Bertha Fish, Marjorie Helm and Irene Brown. A short musical program was presented by Mr. Rush and some of his school band, also by Irene Brown in

two solos accompanied by Harriet Davis. Matilda Bartlett, retiring oracle was presented with a pin from the camp by Mabelle Selter. The group enjoyed a social hour afterward in the dining room downstairs. This will be an important year for the Royal Neighbors of this camp, as they will entertain the county convention in the fall.

The Lake Villa Woman's club held its regular meeting in the home of Mrs. B. J. Hooper Tuesday evening, Jan. 25 with Dorothy Langbein as hostess. Plans were made for an Easter style show to be held March 18th, at 8 o'clock in the Lake Villa Grade School gym. After the business meeting the 24 members attending and four guests, Mrs. Dorothy Romer, Mrs. Hilda Nader, Mrs. Roefer and Mrs. Fran Keller enjoyed slides of Jordan shown by the guest speaker, Mr. Harvey Keller of the Venetian Village. Refreshments were served by the hostess Dorothy Langbein, assisted by Zelma Nickerson, Bea Cribb and Edna Dalgaard.

Most people still don't believe it. But it is true. And when you look into the facts, you'll find these two solid truths:

Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price we show here proves it.

So why not get what a Buick has to offer, if you are in the market for a new car?

You find that the dollars you pay for Buick buy you a lot more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber.

You find it in the record-high V8 power that gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-

coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra silencing—all part and parcel of every Buick.

We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on.

But—you get the idea. This is a buy, this '55 Buick—a great buy—and a thriller from the instant you press its gas pedal. Come in this week and check things for yourself, won't you?

\*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster . . . \$81.70; Radio & Antenna . . . \$92.50.

### Soil Fertility Meeting To Be Held Tuesday at Legion Hall, Grayslake

A meeting sure to be of interest to every farmer in Lake county is the soil fertility meeting scheduled for Tuesday, Feb. 8. The meeting will be held at the American Legion hall in Grayslake starting at 1:15 p. m., according to Ray T. Nicholas. This meeting is part of the Extension Service Program in Lake county designed to bring Lake county farmers the latest authentic information.

Professor C. M. Linsley of the University of Illinois College of Agriculture will discuss the use of nitrogen fertilizer, and the response of crops to this and other fertilizers. He will also tell how soil treatments should be made in accordance with soil tests.

Many of the newest findings in soil fertility practices will be discussed by Mr. Linsley.

Farmers who desire to make their fertilizer dollar go farther will find this meeting very helpful. The time spent at this meeting can be worth up to several hundred dollars or more in making wiser use of soil treatment materials and fertilizers, says farm adviser Ray T. Nicholas.

### Business Women to See Demonstration of Things Produced of Crude Oil

A 'magic barrel' of entertainment will be rolled out for the Antioch Business and Professional Women's club at its meeting at 8 p. m. Monday at the Scout House, Mrs. Art Meyer, program chairman, announced.

Leonard Szok of the Standard Oil Co. will present the 'Magic Barrel' show created by E. I. du Pont de Nemours & Co., demonstrating how petroleum and chemical industries have made available from a barrel of crude oil, thousands of products to enrich the daily lives of Americans.

A graduate of Northwestern university Mr. Szok began his business career with Standard Oil in 1947 as a cost accounting clerk and has held various positions, serving presently as a salesman in the consumer department.

In the fast moving show Mr. Szok will freeze flowers, set off a blast, make rubber, stretch nylon to four times its original state, and bombard his audience with candy and food.

Too many dollars in the wrong man's pocket soon crowds out the sense in his head.
